As part of Distracted Driving Awareness Month, the Colonial Chapter annually partners with DRIVE SMART Virginia for a crash test and tour of the Insurance Institute for Highway Safety. More than 80 people attended the 2016 meeting. The group viewed a crash test of a 2016 Dodge Challenger and was briefed on IIHS research by Dr. David Kidd of the Institute. This year, the event will be held on April 11th and all Virginia ASSE members are invited to attend.
